

# Patient Pricing Information

a partnership with

In compliance with state law, Madison Health is providing this price list containing our charges for some of our more common procedures and services. The hospital's charges are the same for all patients, but a patient's responsibility may vary, depending on their individual insurance plan. Uninsured or underinsured patients should consult with our financial counselor to determine whether they qualify for discounts. These prices are correct as of January 1, 2024. Prices are subject to change.

## Hospital Billing Policies

If you have insurance, Madison Health bills your insurance carrier according to information provided at registration. It is important for you to provide as much information as possible at registration to ensure your bill is processed appropriately. Your insurance company will then pay based on the specifics of your plan. Any balance left after your insurance company pays the hospital is your responsibility.

If you need assistance paying your remaining balance, we may be able to help depending on your income. Please contact Madison Health's Financial Support line at 844-596-0002.

Please be aware, you may receive additional bills from physicians and/or other professionals that take part in delivering your care; for example, clinic physicians, radiologists, and pathologists.
